# 1.st SKDUN International Shotokan Karate Hopes Competition

## Invitation:

It is great task and honour for Eger that the shotokan Karate section and Eger Sportschool of the town can organise the SKDUN International Karate Hopes Competition in Ferenc Kemény Spots Hall on 15 may, 2019. It is pride not only for our surroundings but for the clubs and sections if our talented youngsters can be present among the best sportsmen because of their persistence and hard work.

The May SKDUN International Karate Hopes Competition will be the greatest celebration of the karate sport of Eger, which has a 30-year-old history, as nearly 150 sportsmen do this more and more popular sport in our town. As the mayor in Eger, County Town I would like that besides the Hungarian karate sportsmen the foreign competitors, sportsmanagers could get to know the history, sights and sports life of our town.

Géza Kovács  
Director of Sport School in Eger
